Wireless Network Configuration Guide
MacOS

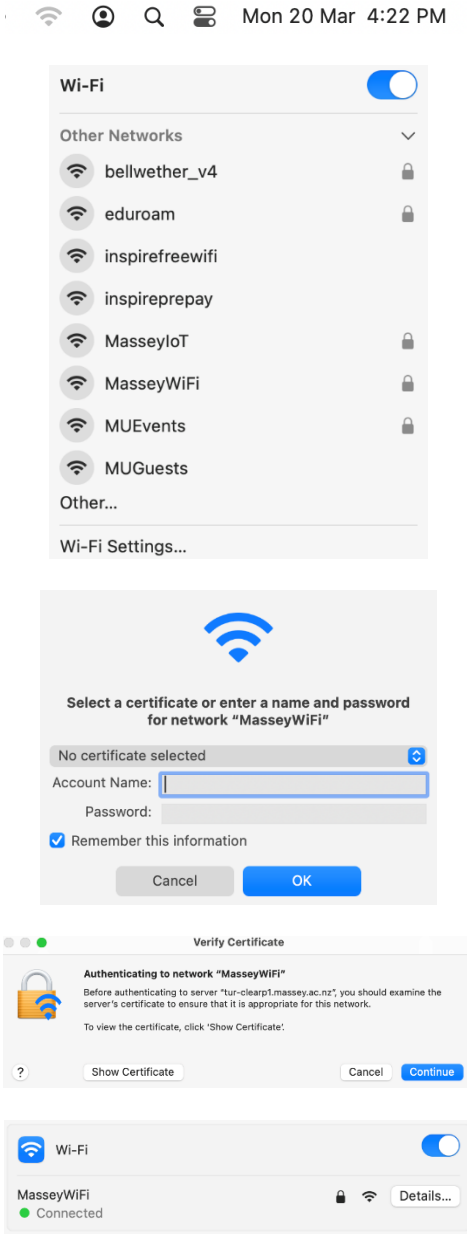

Network Access

All users connecting to the network require Massey credentials.

- **Students**: Student ID + Password
- **Staff**: Usercode + Password

Student password is your SMS Portal/Stream login.

Staff password is your network login.

1. Click on the wireless icon

2. Select **MasseyWiFi**

3. Enter your **Student ID** or **Usercode** and **password**

   Password:
   - Student: **SMS Portal/Stream Login**
   - Staff: **Network login**

4. Click **OK**

A certificate prompt appears

5. Click **Continue**

6. Enter your MacBook sign in credentials or use the fingerprint scanner if prompted

Click on the wireless icon to show the wireless settings and it will show **Connected** below MasseyWiFi when successful
