Wireless Network Configuration Guide
Windows 10

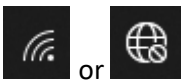

Network Access

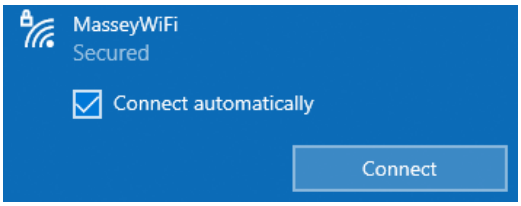

All users connecting to the network require Massey credentials.

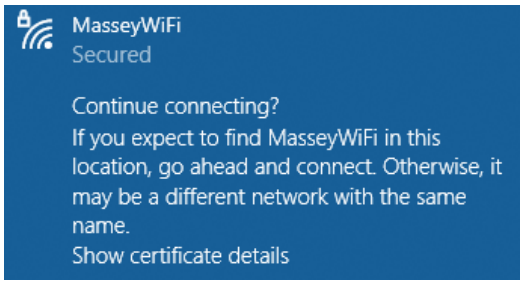

- **Students**: Student ID + Password
- **Staff**: Usercode + Password

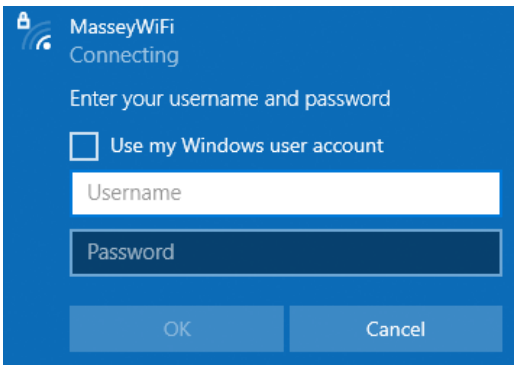

Student password is your SMS Portal/Stream login.

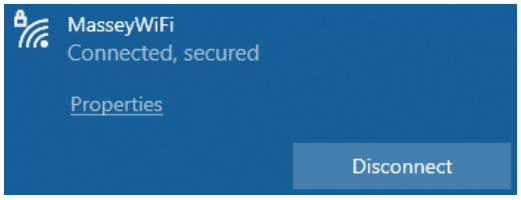

Staff password is your network login.

1. Click on the **Network icon** on the taskbar

2. Select **MasseyWiFi**

Tick the **Connect automatically** box to connect whenever you come onto campus.

3. Click **Connect**

You'll get a **Continue connecting** prompt

4. Click **Connect**

5. Enter your **Student ID** or **Usercode** and password

Password:
- Students: **SMS Portal/Stream login**
- Staff: **Network login**

6. Click **OK**

Another **Continue connecting** prompt will appear.

7. Click **Connect**

When successful it will show **Connected** below MasseyWiFi
