# Wireless Network Configuration Guide
# Windows 11

Network Access

All users connecting to the network require Massey credentials.

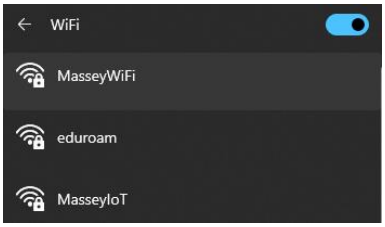

- **Students**: Student ID + Password
- **Staff**: Usercode + Password

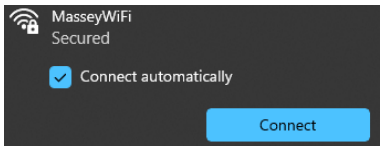

Student password is your SMS Portal/Stream login.

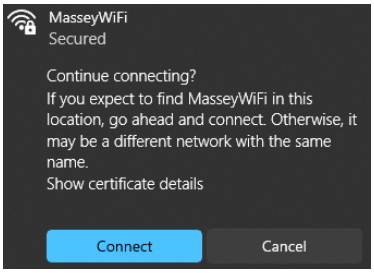

Staff password is your network login.

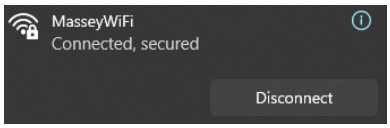

1. Click anywhere on Network, sound, battery icons on the taskbar

2. Click on the arrow next to the wireless icon

3. Select **MasseyWiFi**

Tick the **Connect automatically** box to connect whenever you come onto campus

4. Click **Connect**

You'll get a **Continue connecting** prompt

5. Click **Connect**

6. Enter your **Student ID** or **Usercode** and **password**

Password:

- Students: **SMS Portal/Stream login**
- Staff: **Network login**

7. Click **OK**

Another **Continue connecting** prompt will appear

8. Click **Connect**

When successful it will show **Connected** below MasseyWiFi
